Pennsylvania State Highway crews today continued "mopping up" operations on the weekend snow.

A force of 110 men took part in the task of snow removal starting at noon Saturday, a task which kept many of the men away from home Christmas Eve, but which was interrupted at noon Monday to permit all of the crew members to eat Christmas dinner with their families before resuming the task of clearing the highways.

The snowfall, up to 12 inches in the mountains and in the Littlestown area, according to the reports of the state highway crews, came in such fashion as to make less effective use of chemicals and plowing equipment.

**SOME ROADS CLOSED**

Snow fences proved effective where the winds blew from the prevailing side, but in some sections drifts covered roads and crews were out this morning still cinderling, salting and plowing through drifts.

The drifts closed some roads in Mt. Joy Twp., in the area south of Littlestown, in Mt. Pleasant Twp. and through other sections of the county for periods of an hour or two from time to time. The Fairfield Station Rd. was closed for a time. The road to Dick's Dam from the Carlisle-Hanover pike was almost closed at one time and this morning a grader was in the Peach Glen area reopening a road there.

Forty-three pieces of equipment, trucks and graders, were used in the battle against the snow.

**ROADS HAZARDOUS**

The snow Saturday afternoon and evening was followed by a freezing rain parts of Saturday evening and early Sunday morning.

Then more snow fell, and the Highway Department found that the salt it had applied was not very effective because of the glaze. The result was extremely hazardous road conditions throughout the weekend but highway crews reported motorists generally were cautious as they drove over the slippery highways.

One result of the storm was a great deal of work on the part of towing services. One Gettysburg service station was called to ex-

## Only One Mishap Here Over Weekend

Despite the snow, which made driving conditions hazardous, borough police investigated only one accident over the Christmas weekend.

At 2:45 o'clock Saturday afternoon, police said, a 1959 Nash Rambler, driven by William T. Waddell, Gettysburg, collided at the intersection of York and Liberty Sts. with a 1956 Cadillac driven by John H. Sanders, 320 W. Middle St.

Police said damage to the Nash totaled \$75 and damage to the Cadillac was \$150.

## 3rd Straight White Xmas

Snow that began at noon Saturday and continued into Sunday afternoon brought Gettysburg and Adams County their third consecutive white Christmas.

While the white Christmas was something radio and television songsters had been "dreaming of" for weeks, it was more of a nightmare for motorists. The worst driving conditions of the winter slowed holiday traffic and made highways very hazardous. Drifting Sunday night and Christmas morning closed some rural roads.

The snow kept highway crews busy over the weekend except at noon Monday when they were allowed to go home for Christmas dinners with their families.

The snow measured 6½ inches here and brought this season's snowfall total to 10½ inches. There were three inches in November and one inch earlier this month. Up to the same date last year, the total was 14½ inches.

The snow was accompanied by moderately cold weather. The low here Sunday morning was 22 degrees and on Christmas morning it was 26 degrees. This morning's low was 23 degrees. On Christmas Day the mercury climbed to 35 degrees causing some melting with the result that road and pavement surfaces turned to ice by late afternoon and evening.

## Pope Calls Ecumenical Council For Next Year

**By FRANK BRUTTO**

VATICAN CITY (AP)—Pope John XXIII issued a papal bull Monday formally invoking an ecumenical council of the Roman Catholic Church next year. It will deal with internal affairs of the church, advance the cause of Christian unity and consider the problems besetting modern man.

The Pope did not set the exact date for some 3,000 Catholic leaders to gather in St. Peter's Basilica. The worldwide council is expected to open late in 1962.

The internal administration of the church and paths toward Christian unity—two problems that have been major concerns of Pope John since his election in 1958—will be major topics at the council.

The Pope, expressing grave concern over "militant atheism, operating on a world plan," said the council "could not ignore the problems and troubles" of the world.

**FACE GRAVE TASKS**

"While humanity is on the verge of a new era," the papal bull continued, "the church faces tasks of immense gravity and breadth as in the most tragic epochs of her history."

"They concern, in fact, the

## OLD MAXWELL HOUSE BURNS

NASHVILLE, Tenn. (AP)—The 102-year-old Maxwell House, once one of the South's most splendid hotels, was destroyed by a fire Christmas night, sending its occupants fleeing into 30-degree weather.

Between 60 and 70 persons some in night clothes and carrying pets or Christmas gifts, were evacuated safely.

One elderly guest remained unaccounted for.

The blaze was first spotted on the fourth floor of the five-story hotel, which occupied one-fourth of a square block in downtown Nashville.

The origin of the fire, the third in four years at the hotel, had not been determined. The Maxwell House was started in 1859 and the incomplete structure was used by Union troops during the Civil War to house Confederate prisoners. The building was finished in 1869.

In recent years, the Maxwell House catered to permanent guests.

Fire Marshal Dan Hicks said the brick and wooden building was insured for \$1 million.

## 2 BROTHERS

### DIE IN BLAZE

SALTSBURG, Pa. (AP)—Two young brothers perished today in a fire that roared through an old farmhouse near here. A grandfather was injured and eight others escaped injury.

The bodies of Larry Marshall, 10, and Berry, 6, were found in the basement.

Some of those who escaped injury had to leap from a second story. Others dashed down some steps and out a first story door.

The grandfather, Frank Marshall, was taken to Latrobe Hospital. His condition was not learned immediately.

Firemen said Larry and Berry apparently tried to escape down a back stairway and ran straight into the flames.

The fire was discovered by another brother, Denny, 17, the only person sleeping on the first floor.

Mis mother, Mrs. William Marshall, had to run some 500 yards to a neighbor's house to call firemen. By the time firemen arrived, the two-story brick house was engulfed in flames.

Three other children were in the home, Patricia, 21, Linda, 15, and Terry, 8, along with their father and two boarders.

Firemen believed the fire was caused by a faulty kitchen flue.

The home was located at Saltsburg R. 2, just across the Indiana County border in Westmoreland County.

Among the worst highway accidents was a two-car collision near Hearne, Tex., in which five persons were killed and two others injured.

Two couples were killed and five girls, aged 3 to 15, were orphaned when a station wagon and an automobile collided near Warren, Pa.

In Marietta, Ohio, a car carrying a group of young carolers and a truck collided, killing two boys and the father of one of the youths. The mother, following in another car, watched the tragedy.

tricate 15 auto during the weekend. The report showed the Mummasburg Rd. among the areas where many cars skidded off the highway.

## MISS SCHOOL ROAD

A special spot in Gettysburg was the High School-Keefauver School road through the school property. There the snow covered everything, forming a white sheet hiding curves in the road from the motorists. Near Keefauver School the road turns toward the high school. At least two motorists, believing the road turned before it reached a light pole at that point, turned north of the pole and found themselves sliding down a long slope to Winebrenner's Run. Borough police patrolled the road frequently in an attempt to keep tracks to guide motorists, but drifts and snow covered the tracks about as fast as they were made.

## CAR KEYS FOUND

Borough Engineer LeRoy H. Winebrenner's street crews cleared Lincoln Square and the four main streets Saturday night and Sunday morning, quitting about 6 o'clock Sunday morning to permit the men to have a Christmas holiday. This morning they resumed work at 3 o'clock and by noon had completed snow removal from all of the main streets, then started on the remainder of the town. Some 200 loads of snow were moved from the central part of the town.

During their cleaning operations the borough workmen found two sets of car keys, apparently lost by the owners. The keys were turned in to the police station where they may be obtained by the owners, Winebrenner said.

Countians In Two  
Hanover Crashes

Adams Countians were involved in two auto accidents at Hanover over the weekend.

Monday evening at 5 o'clock cars operated by Burnell Hick, 40, Hanover R. 1, and Philip Wright, 23, New Oxford R. 2, collided at the intersection of Locust and E. Middle Sts. in Hanover. Police there estimated damage to Hick's car at \$200 and to Wright's auto at \$350.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times  
FIFTY YEARS AGO

**Christmas Day in Gettysburg:**  
December 25, 1911, will go down in the history of Gettysburg as one of the most enjoyed and most fittingly observed Christmas days which the town has had.

Beginning Christmas eve with exercises in a number of the town churches, continuing at midnight and at dawn with other appropriate church services and through the day in the homes of the town where all secular traditions were observed, the day was one of pleasure throughout.

**Mr. Billheimer New Professor:**  
At the meeting of the Gettysburg College Board of Trustees in Harrisburg this morning the resignation of Prof. Oscar G. Klinger as professor of Greek was accepted to take effect at the end of the present college year. Albert Billheimer, son of Dr. and Mrs. T. C. Billheimer, of Springs Avenue, was elected to succeed Prof. Klinger and will enter upon his duties in September.

**Secure Big Sum At Post Office:**  
Crackmen entered the Emmitsburg post office between two and three o'clock Thursday morning, blew the safe and made way with stamps and cash to the amount of \$1,296.63.

The burglary was not discovered until John A. Horner, postmaster, opened the office at the usual hour. Mr. Horner saw the door of the safe was blown off and upon investigation discovered that all the money, stamps, registered mail and private papers had been taken. The plunder was thrown into a mail sack and carried off. Six hundred and fifty one cent stamps and an equal number of two were found lying on the floor, and a number of stamp books were left undisturbed in the safe.

**Last Meeting Of Council:**  
The town council met on Friday evening to settle all the business of the past year so as to give the newly organized council a clear slate when it takes up its duties on Tuesday. The reorganization is scheduled for Monday afternoon.

John A. Wilson, of Broadway, asked for a light and crossing at the intersection of the Munnasburg road and Broadway. Council decided to lay a single crossing and to have a Tungsten light placed.

**Masons Observe St. John's Night:**  
Ninety-four Masons attended the annual St. John's Night banquet of Good Samaritan Lodge 336 F. and A. M. held at the Eagle Hotel on Wednesday evening with members present from a number of surrounding towns.

To the strains of "Onward Christian Soldiers" played by the Gettysburg Orchestra the banqueters entered the dining room where the tables were placed in the form of a hollow square and pretty flag decorations had been arranged.

**Death Takes Jacob Sheely:**  
Jacob Sheely, a well known citizen of Franklin Township, died at his home in Hilltown Saturday evening at 9:30 from the effects of a stroke of paralysis received at 5:30 on Thursday evening. He was aged 67 years, 3 months and 14 days.

He taught in the public schools of Adams county for 24 years and served as justice of the peace twenty-five years. He was very efficient in performing the duties of his office, preventing many disputes, by giving advice wisely. His wife who was Sylvia Mickle, daughter of the late Captain James, died 19 years ago.

## Today's Talk

**THE OPEN FIRE**  
I would never want to live in a house that doesn't have its open fireplace.

I love to see the logs burn bright and hear them snap and crackle. With friends about one can also enjoy evenings of care-free thinking: Stories, incidents, laughter.

And when members of such a group have left I enjoy sitting alone with the dying embers. Light flames leap to join their brothers and sisters of the hours that have passed.

I do not mind being alone before a fire after the others have gone. Because, I fancy, I begin to see what the others have not: A boy and girl making mudpies behind the barn; the old swimming hole just below the mill dam falls; a cow pasture; a woodpecker's nest; cooing doves on a fence post above the sparkling morning dew; a mother tucking in a small boy who had just told all the exciting experiences of a long day; Indians in camp having a wild dance about their own fires.

Friends of days long past. The old home; "Daisy," the little pony; the first day of school; that pair of first long pants; that delightful old farmer spinning his side-splitting yarns after work.

You can see life and beauty in the open fireplace. You can see exactly what dreams look like. And how close the open fire brings you to the world. The thing that makes people so discouraged and makes them seem so detached from life and living is that they try to edge their way out of the world and the thick of its fights.

We are here. We can't run away. And, if we could, it would be cowardly and unworthy.

By all means own a home with an open fireplace in it.

Tomorrow Mr. Adams will talk on the subject: "Advice"

**CHRISTMAS OVER THERE**  
Perhaps He tells them over there  
About His birthdays long ago,  
And pictures for the children fair  
The happy times He used to know.

Perhaps, He takes them on His knee,  
Our babies He has called away,  
And tells them of the days  
When He  
With earthly children used to play.

I fancy at this Christmas time  
He tells them tales to us untold;  
Repeats some little nursery rhyme  
He spoke when He was six years old.

There were not many then to keep  
His birthday as we do today.  
The shepherds watching o'er their sheep.  
Had no such happy time of play.

They little knew or dreamed  
back then,  
Who saw the little boy at play,  
Carols of peace, good will to men,  
The world would sing for Him today.

Tonight, perhaps, He calls them all,  
The little children 'round His knee,  
And tells those eager angels small  
Of Christmas days that used to be.

And it may be the one we miss  
So sadly at this Christmas time,

### OBSERVE 25TH WEDDING DAY

A surprise gathering in honor of the 25th wedding anniversary of Mr. and Mrs. Fred F. Blocher, 56 E. Myrtle St., was held on Saturday evening in the social room of St. Paul's Lutheran Church. The affair was arranged by Mrs. Blocher's parents, Mr. and Mrs. Harry Trostle, Maple Ave.

Mr. Blocher, son of the late Thaddeus Blocher and Mrs. Anna Blocher, W. King St., and Mrs. Blocher, the former Arlene Trostle, were married on Dec. 24, 1936, in the Reformed parsonage on S. Queen St., by the Rev. Royce C. Schaeffer, now serving in Emmaus. They are parents of two children, Fred and Linda, both at home.

Guests at the celebration numbered approximately 100, and among them were Charles H. and Evelyn Hode Fissel, Prince St., who were attendants and who were married later. Also among the guests were Mr. and Mrs. John Staub, neighbors of the celebratory couple, who will be observing their golden wedding anniversary. Following the opening of gifts, refreshments were served cafeteria style and there were brief remarks. Assisting with the serving were Mrs. Clinton O. Sentz, Mrs. George Pearl, Mrs. Howard Trostle and Mrs. Gene Bailey. Decorations included wedding bells and arrangements of net and silver by Mrs. William M. Ebaugh. Anniversary souvenir favors were napkins matchcards both inscribed with "Fred and Arlene."

The Starr Bible Class of St. Paul's Lutheran Church will have a holiday party in connection with the December meeting at 7:30 p.m. on Thursday at the home of the class teacher, Luther W. Ritter, Glenwyn Drive. A gift exchange will be featured. Hostesses will be Mrs. Irvin R. Kindig, chairman, Mrs. Minnie S. Miller and Mrs. George C. Edgar Pfeffer.

## It Was A Merry Christmas For Many Unfortunate Due To Generosity Of Yankees

By PIERCE LEHMBECK  
Associated Press Staff Writer

A special Christmas warmth lingered across the continent today. It burned in the eyes of children of misfortune remembered by the fortunate, in the minds of troubled adults touched by the kindness of neighbors, and in the hearts of the charitable who experienced again the blessedness of giving.

Examples? They were nigh as countless as the strands in the beard of that ageless North Pole resident who circled the earth in the predawn hours Monday.

Freddie Downer, 7, was killed by a car early this month as he crossed a street in Massena, N.Y., to telephone Santa Claus and remind him of an important letter he had written.

**REMEMBER SISTER**

"Even if you have to leave me out, Santa," the boy wrote, "please don't forget my sister."

Three-year-old Vicky was not forgotten.

Through the magic that is St. Nick's way of doing things, gifts and money for more gifts turned up under her tree Christmas morning.

In Bloomfield, Conn., friends of the 11 children of Mr. and Mrs. James F. Cahill went caroling to gather donations for the Cahills, who were made homeless by a fire two nights before Christmas.

Louisa Cahill, 7, was critically burned.

Bloomfield and other communities responded with fund drives, gifts and clothing.

**AID NEGRO FAMILIES**

Fires Saturday night destroyed the homes of the James Sanders and Clarence Lofton families in Nashville. Both Negro families lost all their possessions, including the Christmas presents.

But the word spread, and by Christmas morn they had received money, food, clothing and promises of furniture.

At New Cumberland, Pa., near Harrisburg a fire two weeks ago left Mr. and Mrs. Wilbur Jones and their seven children without home, clothing or personal possessions.

The Fairview Fire Co., its ladies auxiliary, the Fairview Lions' club and others in the community pooled their compassion.

The Joneses had a partially completed house which they planned to occupy in about six months. Local merchants contributed insulation, plumbing, heating, electrical wire and flooring.

**40 MEN BUILD HOME**

The ladies auxiliary purchased new Christmas gifts.

Forty men got together Dec. 17 and started work on the house.

On Christmas morning the Jones were in their new home. They had a tree laden with toys delivered by a Santa Claus helper Christmas Eve.

Silas Brown, who worked on shrimp boats in Florida, went to Texas to seek a trucking job. He arrived in Galveston with his wife and seven children—and \$2.

Police found the family on Christmas Eve under a causeway, where they had gone for shelter.

"I knew these people in Galveston had suffered from the hurricane and I didn't want to push in on them," Brown explained.

**REAFFIRMS FAITH**

Police arranged for a free meal, then clothing, free lodging through the holidays, more than \$200 in cash, toys, a turkey dinner — and perhaps most important, a job offer.

"It kind of reaffirms your faith," said Brown.

In Springfield, Mo., a man the Salvation Army Christmas morning and asked how much the organization needed to meet its goal for its Christmas fund for needy families.

"\$991," he was advised.

The caller, who asked that his name not be revealed, sent a check for the \$991.

## Jailed For Murder Of Mother Sunday

**SOMERSET, Pa. (AP)**—William Clifford Hileman, 29, of nearby Rockwood was in Somerset County Jail today on a murder charge following the shotgun death of his 50-year-old mother.

State police said Hileman would remain in jail until he receives a sanity hearing. They said he admitted shooting Mrs. Ethel Hileman in her bedroom at their home Sunday morning. Capt. Paul Rittelmann of the state police quoted Hileman as saying he thought his mother was going to kill him.

Hileman was home from Somerset State Hospital for a probationary period. His brother, Donald, home from the service on a furlough, was sleeping at the time.

**LT. GOVERNOR CANDIDATE**

**PITTSBURGH (AP)**—Commissioner John M. Walker of Allegheny County may be the Republican candidate for lieutenant governor.

Walker, the defeated GOP candidate for the post in 1958, said Saturday, "If the Republican leaders think I can help, I would actively seek the nomination."

## Held In Murder Of Wife, Lover

**DONORA, Pa. (AP)**—George Shultz, 62, of nearby Webster was being held today in the Christmas Day slayings of another man and his wife.

Police arrested Shultz Monday at his home. They said he will be charged with murder.

Capt. Ernest C. Moore of the state police said Shultz admitted shooting Steve Evich, 62, and his wife, Mary, 46, because he had been having an affair with Mrs. Evich and was jealous.

The Evichs were killed by a shotgun in their second floor apartment in Webster.

Robert Evich, 15, the victims' oldest son, found the bodies upon entering the apartment with an uncle. The Evichs also had another son, Terry, 5.

Evich was a steelworker at the Page Steel Works in Monessen and Shultz worked at a coal plant in West Elizabeth as a bulldozer operator.

## To Close Loophole In ICC Ferry Law

**WASHINGTON (AP)**—Sen. Clifford P. Case, R-N.J., concerned over the proposed elimination of the Chester, Pa.-Bridgeport, N.J., ferry, says he will introduce a bill to close a "loophole" in the Interstate Commerce Act.

The loophole, Case said Monday, permits abandonment of an interstate ferry without review by either a state or federal agency. He said his bill would spell out the Interstate Commerce Commission's jurisdiction in cases where a ferry is not part of a railroad. The ICC now has limited jurisdiction if a ferry is part of a railroad.

Case also said the public needs greater protection when a railroad seeks to eliminate passenger service on a whole basis.

## Lewisburg Cadet Gets High Honor

**WEST POINT, N.Y. (AP)**—A 20-year-old Lewisburg, Pa., cadet who fled Communist Hungary with his parents and a brother and sister in 1945, has won the highest honor ever accorded a freshman at the U.S. Military Academy.

Cadet Louis S. Csoka has been named cadet commander for the Christmas holidays. While upperclassmen are home for the holidays, the 800 plebes remain.

Csoka described his duties as "informing the other cadets of their responsibilities and privileges."

"He's running the place," was the way the academy stated it.

**TOKYO (AP)**—Crown Prince Akihito, heir to Japan's chrysanthemum throne, celebrated his 28th birthday today at a tea party for 200 childhood friends and a small dinner party in the evening.

## DIAPERED BABE HAS REPLACED SANTA ON TV

By CYNTHIA LOWRY  
AP TV-Radio Writer

**NEW YORK (AP)**—Santa Claus, who has dominated our home screens for such a long, long time, disappeared as if rubbed out by a magic eraser around mid-afternoon Monday.

On camera for the next few days comes his annual replacement: the diapered babe and the old man with the scythe. The musical theme will be "Auld Lang Syne" as almost every TV entertainment show puts on its almost mandatory New Year's celebration.

There was some memorable television viewing over the weekend, particularly of a religious nature, and enough inspiring music to satisfy the most critical.

**LIKED WARING**

One smooth, relaxing hour was "Fred Waring's Unforgettables" on NBC Christmas Eve—tuneful, nostalgic and handsomely produced.

ABC's "Enchanted Nutcracker"

had some nice moments, but as fantasy it was pretty heavy handed. Weaving a contemporary plot—a movie cowboy father and a ballerina mother—around a lonely child's Christmas dream just did not come off at all well.

ABC, with more holes to fill in its schedules than any other network because two 60-minute shows are going off, is still frantically looking over the Steve Allen Show—leaving after Wednesday night's program—and "The Roaring 20s."

"Straightaway," the half-hour action show about two sports car mechanics which has been having audience troubles in its early Friday evening spot on the network, will be shoved into the 8 p.m. spot on Wednesdays—the second half of Allen's current time. The show, which has its strongest appeal to youthful audiences, ought to have a better chance on a school night.

Recommended tonight: "White Paper," NBC, 10-11—a documentary on Khrushchev and the build-up of the Berlin crisis.

Little Albie Pearson led the Los Angeles Angels in hitting last season, their first in the majors, with a mark of .288. He also led in runs with 91.

## SOUTH WHIPS NORTH, 35-10 BEFORE 18,000

MIAMI, Fla. (AP) — The South again has conquered the North in the Shrine's annual College All-Star series, and the latest hero of this football civil war is Baylor's strong-armed quarterback, Bobby Ply.

The shifty Texan pried a slow-moving Yankee offense with 14 successful passes to three talented receivers Monday night and the Rebels, favored by only a point, rolled to an easy 35-10 victory.

Glenn Glass of Tennessee was the catcher on a 46-yard touchdown serial play, and Miami's two ends, Larry Wilson and All-America Bill Miller, snagged two other Ply scoring throws for 10 and 7 yards.

Ply also sneaked a yard for a fourth touchdown in winning the press box vote as the most valuable player of this series which the South now leads, eight wins to six.

### BENEFIT OF HOSPITAL

The game is played for the benefit of the Shrine's hospitals for crippled children, but the financial return was the lowest in the series history. Only 18,892 fans turned out in cold weather that dropped the temperatures into the 40s during the game.

In completing 14 of 26 passes, Ply shadowed the North quarterback, Eddie Wilson of Arizona, who had an off night with 15 out of 35 throws.

For fine defensive work against the South's overwhelming attack, center Larry Onesti of Northwestern was picked as the outstanding player for the North.

### Pittsburgh Rens Take First Place

By THE ASSOCIATED PRESS — The Pittsburgh Rens were out in front today in the topsy-turvy Eastern Division race of the American Basketball League as the Cleveland Pipers dropped to second.

Pittsburgh nipped Cleveland 108-106 on the Pipers' floor Monday night and the result switched the teams in the standings. In the

### Scouts Will Watch Blue-Gray Contest

MONTGOMERY, Ala. (AP) — Scouts from many professional football teams will be watching the 23rd annual Blue-Gray game Dec. 30, and the record indicates they'll take sharp notice of what they see.

Current rosters of both the American and National Football leagues list scores of players who saw action in the Blue-Gray while college seniors.

Bart Starr, the passer who leads the Green Bay Packers against the New York Giants for the pro title next Sunday, played in the Blue-Gray game in 1955.

Chuck Bednarik, Philadelphia linebacker, had a heavy hand in pushing the North to a 26-0 Blue-Gray victory in 1945. Francis Taranton, a top rookie quarterback with the NFL Vikings, and Norm Snead, ex Washington passer, both played here as college stars last year.

The list goes on, and with the scouts coming back for more, it apparently will be extended next year.

Bucky Bolyard's clutch field goal with just one second left gave the Rens their victory and they moved one-half game ahead of Cleveland.

## DUQUESNE IS FAVORITE IN QUAKER CITY

PHILADELPHIA (AP) — Unbeaten Duquesne, once again emerging as a contender for National Basketball honors, has been established a favorite to win the inaugural Quaker City Tournament opening today and add another crown alongside its Steel Bowl title.

The Dukes, who gradually dipped into oblivion after winning the National Invitation Tournament in 1955, have won six straight.

They'll send Willie Somerset, Mike Rice and company after a much taller Wyoming club in today's opening round game in the Palestra, Wyoming (4-3) has 6-10 John Smith and Dick Bowers and Al Eastland, both 6-8.

The Dukes, who coach Red Manning calls the best team he's had in his four years as mentor, have gained plenty of prestige with triumphs over Bowling Green, Duke and St. Bonaventure. They knocked off Duke and Pitt en route to the Steel Bowl title 10 days ago.

### "REAL TEST"

But Manning says this tourney will be the "real test . . . we'll find out then just what this ball club can do . . ."

Villanova, another surprising club which has eight victories without a loss, is expected to provide the strongest opposition for the Dukes. Some observers feel the Wildcats, who came back strong this year under new Coach Jack Kraft, can pull off an upset.

"We have as good a chance as anyone else," said Kraft, who is pinning his hopes on a fast-breaking offense and the shooting of Hubie White and Wally Jones to offset inexperience and a lack of height.

The Wildcats meet Niagara, a club they defeated by nine points away from home earlier this year, in another opening round game tonight.

Iowa, led by 6-6 Don Nelson, goes against Penn State and Penn Holy Cross tonight to round out the opening day action.

Iowa is a favorite over Penn State since the Nittany Lions have lost 6-6 scoring ace Wayne Lundy who dropped out of school.

Penn appears to have a solid club but the big question mark will be whether the Quakers can stop Jack Foley, the nation's leading scorer with a 32.3 average.

The teams will take a day off after today's action. The tourney will resume Thursday night with the semifinals in which the Duquesne-Wyoming winner will meet the Villanova-Niagara survivor and the Penn State-Iowa victor will go against the Penn-Holy Cross winner. Finals will be Saturday.

The annual Christmas Eve candlelight service was held in Redeemer's Church with a large congregation in attendance. The service opened with quiet moments with the organ, "Vision of Angels," "Under the Christmas Starlight" and "Christmas Processional," played by Mrs. George A. Stoniesfer, who presided at the console for the service; processional carol, "O Come, All Ye Faithful"; Christmas introit and invocation, Rev. Mr. Flinchbaugh.

The rendition of Bach's "Everlasting Joy" was presented by the Senior Choir, under the direction of Samuel H. Higginbotham, as follows: "Break Forth, O Beauteous, Heavenly Light," chorals; "Christians, Be Joyful," choir; "Rejoice and Sing," chorals; "Receive Your Messiah," Soprano solo, Mrs. Gene A. Hankey; "Awake, Jerusalem," chorals; "The Shepherds," soprano solo, Mrs. Robert W. Hall; "From Heaven Above," choir and soprano soloist, Miss Eileen A. Crouse; "O Christ Child Sweet," choir and soprano soloist, Mrs. Clyde W. Crouse; "Mighty Lord," choir; "Beside Thy Cradle," chorals.

Reading, Rev. Mr. Flinchbaugh; offering, which was given for new music for the choir; offertory, "Symphony," "My Heart, Ever Faithful," choir; "Jesu, Joy of Men's Desiring," chorale; "In Dulci Jubilo," choir; "Thee With Tender Care I'll Cherish," chorale; candlelighting ceremony, with Terry Arbogast and Thomas Staveland as acolytes; "Silent Night," the congregation; benediction, the pastor; recessional carol, "Joy to the World"; organ postlude, "For Us A Child Is Born."

### Bama Resumes Its Practice For Bowl

NEW ORLEANS (AP) — National champion Alabama resumes practice today for the Sugar Bowl clash against Southwest Conference co-champion Arkansas.

The Crimson Tide, undefeated and untied in 10 regular season games, sets up shop down the Gulf Coast at Biloxi, Miss., about 90 miles east of New Orleans.

Arkansas, which had an 8-2 regular season mark, flies in to its pre-game headquarters at Louisiana State University at Baton Rouge, 80 miles north of here Wednesday.

A capacity crowd of 81,585 is expected to see the two defensive titans meet next Monday. The Crimson Tide, ranked No. 1 in the final poll by The Associated Press, rules a 12½-point favorite over the Razorbacks.

## LIONS TO GO SOUTH TODAY

PHILIPSBURG, Pa. (AP) — Penn State's Nittany Lions, fresh from a two-day Christmas layoff, head south again today for their final tune-up before taking on tough Georgia Tech in the Gator Bowl at Jacksonville, Fla.

Head Coach Rip Engle said Monday night he hopes "to get in at least four good workouts at the St. Augustine High School field" before a game-time Saturday.

The Lions, who spent all of last week drilling at Fort Eustis, Va., will be gunning for their third straight bowl victory since 1959.

### LOST ONE GAME

They beat Alabama 7-0 and Oregon 41-12 in the 1959 and 1960 Liberty Bowls. In their only post-season appearances, however, the Lions lost to Southern California 14-3 in the 1923 Rose Bowl and played Southern Methodist to a 13-13 deadlock in the 1948 Cotton Bowl.

Both Penn State and Georgia Tech will go into Saturday's clash with identical 7-3 charts for the 1961 season. Neither team played a common opponent. It was State's stunning 47-26 triumph over Pitt on the last day of the season that sewed up the bowl bid for them.

### Disqualification Cut Daily Double

MIAMI, Fla. (AP) — Six horses crossed the finish line little more than a length apart in the second race at Tropical Park Monday and when the camera showed Athenian 2nd the winner, daily double players thought they had a hatful.

Athenian 2nd, at \$82.20 for \$2, would have returned a daily double payoff of \$1,513.80 with Keep Ideals (\$26.70) in the first race. However, stewards disqualified Athenian 2nd for interference through the stretch drive and made Scandalmonger (\$25.70) the winner. The daily double paid \$807 for \$3.

## GIANTS DRILL FOR PACKERS

NEW YORK (AP) — It almost looked like a classroom in P.S. 85 today when the New York Giants handed in their homework to Coach Allie Sherman.

But instead of "pass" or "flunk," each Giant may be graded in terms of \$\$\$—5,000 of them to be exact, if he has learned his lessons well and the team beats the Green Bay Packers in Green Bay this Sunday for the National Football League's championship.

Sherman gave his squad a four-day Christmas holiday but had the players take home their play books, containing the basic plays and formations to be used in the Packers' game.

### STRONG RUNNING GAME

"If they don't have these basics down pat, then we're in trouble," Sherman said today.

He sent them onto snow-fringed Yankee Stadium to begin intensive outdoor work to put their book knowledge into operation. He planned to supplement the outdoor drills with skull sessions.

Sherman admitted that while the Giants have great respect for Green Bay's passing, it is the Packers' tremendous running, led by Jim Taylor, that poses the biggest threat.

The Packers won the regular season game 20-17 earlier this month, as Taylor bashed the Giants line for 186 yards.

## Field Goal Is Rose Bowl Factor

PASADENA, Calif. (AP) — The field goal, used sparingly by both, could be the clincher in the Rose Bowl battle between Minnesota and UCLA, a couple of close-to-the-vest football practitioners.

As the New Year's Day game rivals resumed practice today after the Christmas holiday, the feeling grew that this could be the fourth Rose Bowl contest since 1950 to be settled by a field goal.

But both the bowl-repeating Gophers, who are 7½-point favorites and the sturdy Bruins booted only three successful field goals during the regular season.

However, each club scored a vital victory on a field goal.

Tailback Bobby Smith's 31-yard three-pointer was the difference for UCLA in a 10-7 decision over University of Southern California in the Nov. 25 finale which clinched the Big Five title and a Rose Bowl bid.

### Cotton Bowl Teams Return To Practice

DALLAS, Tex. (AP) — Texas and Mississippi return to the practice field today to wind up training for their Cotton Bowl date here New Year's Day.

Texas will be practicing at Austin and Mississippi at Oxford as both squads spend all the time allowable at their home bases.

Each comes flying into Dallas Saturday in time for the Texas Sports Hall of Fame luncheon and a workout in the afternoon.

As the Rebels and Longhorns pointed toward Dallas and the ticket scramble became more intense—the big bowl was sold out weeks ago—Mississippi continued to rate as favorite to win the game and remain dominant over Southwest Conference teams.

## OILERS REPEAT IN TITLE GAME

HOUSTON, Tex. (AP) — "It's like taking over the New York Yankees in midseason," happy Wally Lemm said after his Houston Oilers won their second American Football League championship.

"I was real lucky to step in here with all this material."

The Oilers beat San Diego, 10-3, Sunday to complete the AFL's rags-to-riches story for this year. Lemm took over as Houston's coach in mid-October when Houston was in the Eastern Division cellar with a 1-3-1 record. Under Lemm Houston won 10 straight. The Oilers already are looking to next year.

### SIX ARE INJURED

"Let's make it three straight now," quarterback George Blanda said shortly after he signed a 1962 contract. "Only let's don't play them again next week."

"This will prove to those people that we play defense in this league," Blanda said. "Where do you find a better game than that?"

Six Houston players left the game because of injuries. Two—Bill Groman and Fred Glick—did not return.

Blanda passed to Billy Cannon for the game's only touchdown and kicked a 46-yard field goal.

## West To Play Wide Open Shrine Game

SAN FRANCISCO (AP) — You can expect more of a wide open game from the West squad than from the East Saturday in the 37th Shrine East-West football game.

Joe Kuharich of Notre Dame, coach of the East team, said his 24-man aggregation already has assimilated what he calls his "post-season offense."

It boils down, basically, to his quarterbacks calling the numbers of his power runners and telling them what direction they're to take.

The power runners are Bob Ferguson of Ohio State and Ernie Davis of Syracuse, and the passing quarterbacks, Roman Gabriel of North Carolina State and Ron Miller of Wisconsin.

For the West offense, Washington Coach Jim Owens is preparing a variety of combinations. John Hadl of Kansas and Mel Melin of Washington State both are getting plenty of work at quarterback.

The West figures to come up with a wide open aerial game, utilizing Mack Burton and Oscar Donahue of San Jose State, two speedy, sure-handed receivers.

## PACKERS ARE FINED, BEAT KNICKS BY 20

By THE ASSOCIATED PRESS

Late by an hour, tired by a wearying day of travel, and fined a bundle of cash, the Chicago Packers posted one of their infrequent victories in the National Basketball Association Monday night.

For arriving late in New York for their opening game at the Madison Square Garden double-header, the league's newest entry got socked a \$2,500 fine by NBA President Maurice Podoloff. The Packers then took the floor and whipped the Detroit Pistons 118-97.

### KNICKS EDGE WARRIORS

In the second game, the New York Knickerbockers squeezed by the Philadelphia Warriors 136-135 in double overtime. The Boston Celtics tripped the Syracuse Nats 127-122 and the Los Angeles Lakers beat the Cincinnati Royals 141-127 in other NBA action Christmas night.

One flight cancellation and two other delays in Chicago caused the Packers' travel troubles. Podoloff decreed the team had failed to take sufficient precaution to arrive in time, and levied the stiff penalty.

## Australians Near 10th Davis Cup

MELBOURNE, Australia (AP) — Mighty Australia, with Roy Emerson and Rod Laver playing brilliantly despite stamina-sapping 90 degree temperatures, moved to within one victory of its 10th Davis Cup Tennis Championship in 12 years today against Italy.

Emerson, the U.S. champion who usually concentrates on doubles, defeated Italian ace Nicola Pietrangeli 6-6, 6-4, 6-0 and Laver, the top-ranked Aussie and 1961 Wimbledon titlist, routed Orlando Sirola 6-1, 6-4, 6-3 in opening singles matches of the challenge round at Kooyong, Stadium.

A doubles triumph Wednesday would close out the championship for Capt. Harry Hopman's Aussies, who faced up to an "Italian draw" with the sure formula of success—unbeatable tennis.

# Young Teller Gambled \$400,000 One Weekend; Bookie Reneges Paying

PHILADELPHIA (AP) — An \$88-a-week bank teller, charged with embezzling \$374,000, has testified he gambled as much as \$400,000 in one weekend. He said a bookie weeded on paying \$256,000 in winnings.

The teller, Joseph W. Barnes, 25, of suburban Upper Darby, also turned over more than \$88,000 to a taproom operator to be invested in the stock market—and it was testified Friday—the investments were bad.

Bets were made at a teller's window, Barnes said. He had been head teller at a branch of the First Pennsylvania Banking and Trust Company. Shortages had gone undetected through several surprise audits until his arrest Thursday, bank officials said.

**TWO ARRESTED**  
Arrested subsequently in the investigation were two taproom operators, Robert McDevitt, 30, and John R. Daly, both Philadelphia. In testimony before U.S. Commissioner Edward Faria, Barnes identified McDevitt as his bookie and Daly as the man who handled the stock investments.

Both are charged with aiding and abetting embezzlement. Faria set bail for McDevitt at \$25,000 and for Daly at \$10,000. Barnes was released in \$7,500 bail after telling his story at the hearing Friday.

**BOOKIE RENEGES**  
On one weekend alone, Barnes said, he placed bets with McDevitt approximating \$400,000. On the weekend of the Army-Navy football game here earlier this month, Barnes testified, he made several bets with McDevitt.

Following the weekend, Barnes continued McDevitt owed him \$256,000 but refused to pay. "McDevitt said that since this was bank money he wasn't going to pay the money and that they could make a deal with the insurance companies themselves," Barnes testified.

## Syria Organizes Under A Coalition

DAMASCUS, Syria (AP)—Syria's first constitutional government since its break with the United Arab Republic shaped up today as a middle-road coalition embracing independents and all of the nation's moderate rightist blocs.

Dr. Maroud Dawalibi, 54, a political veteran who was tapped by President Dr. Nazem El Kuds to form the new government replacing the provisional regime, named his 16-man cabinet Friday night after two days of talks with parliamentary groups.

A decree issued by the president gave Dawalibi both the premiership and the post of foreign minister. Kuds took office last week following general elections called by the interim government.

## WIDESPREAD ABUSE OF CD FUNDS SHOWN

WASHINGTON (AP) — Widespread abuse by state and local governments in the use of federal Civil Defense funds has been reported by the General Accounting Office.

In one case the GAO found the government spent nearly \$70,000 toward a Civil Defense training center that actually was used for dances, dinners and entertainments.

The congressional watchdog agency said federal matching funds were also used, among other things, for:

Helicopters, supposedly for Civil Defense purposes, but used by a state forest service for profit-making spraying operations.

## U.S. PAID TWICE

Communications equipment for police, fire and other local services, supposedly to meet abnormal emergency requirements, but actually planned for before application was made for federal funds.

Emergency electric power generators for hospitals that were used to meet day-to-day needs. In one case, the GAO found the government paid twice for its share of a generator through two agencies.

A duplicating machine acquired by a county solely for Civil Defense operations but used in the normal operations of the county library.

## MATCHING FUNDS

The GAO survey covered the federal contributions program of the Office of Civil and Defense Mobilization. From 1951 to 1960, Congress appropriated \$116.2 million for the program. It provided for federal funds—to be matched by states and local governments—for up to 50 per cent of the cost of certain equipment.

The program was taken from the OCDM this year and put under the Defense Department.

The GAO recommended that the secretary of defense suspend most of the federal contributions for Civil Defense projects until adequate safeguards can be established.

## FAILED TO CHECK

The GAO survey touched on a small percentage of contributions under the program. The government share for these was \$8.4 million. The GAO found that about \$9.2 million was used primarily for items not over and above normal requirements of state or local governments.

The report criticized OCDM for relying on applications from the local and state governments without checking their validity or establishing above-normal need standards.

## DIES FROM INJURIES

PHILADELPHIA (AP) — Wallace Gorman, 65-year-old night watchman who was struck by a car at a Philadelphia intersection Dec. 18, died Monday night in a hospital. Police said an autopsy will be performed to determine if Gorman died as a result of injuries. Two men have already been charged in what police said was a hit-run case.

## A Lovelier You

By MARY SUE MILLER

**MODEL OF LOVELINESS.** A young lovely writes: What does it take to become a fashion model? Some people say that you have to be born with a talent

for modeling. Others think a girl could be trained for the job. What's your opinion?

The Answer: Any girl wishing to model must possess a "photogenic" face. That does not mean she need be a ravishing beauty, but rather that her bony structure must be well-proportioned—properly modulated and balanced. The quality is inborn, although corrective make-up works wonders in glossing over small structural flaws.

The other assets required of a model can be acquired. To make them your, however, you have to train like an athlete and never break the rules. A successful model follows this regimen:

She sticks to a diet and exercise program, one designed to keep her extra slim and extra graceful. She works constantly to improve her stance and walk, so as to present a flawless picture to the camera or the human eye.

She also strives to accentuate her personality by learning the fashions, make-up and hair styles best suited for her. In that way she becomes unique — one-of-a-kind. Carbon copies are not wanted in the profession.

A model's grooming is always perfection. Otherwise, she could not feel confident of her appeal. Then she should be unable to give a radiant, poised performance, as she must.

Plainly, modeling calls for self-discipline and intelligence. Drawing on those traits makes any girl a model of loveliness, whether or not she aspires to a model's career.

Facial flaws, both large and small, can be repaired by make-up. How to give the illusion of perfection to imperfect features is detailed in my leaflet, "MAKE-UP MAKE-BELIEVE." To obtain a copy, write to me: A Lovelier You, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a LARGE, SELF-ADDRESSED ENVELOPE and five cents in coin.

## COMPLETE 10 LAUNCH PADS FOR MISSILES

By FRED S. HOFFMAN

WASHINGTON (AP)—Construction of the first 10 underground launch pads for Minuteman intercontinental ballistic missiles has been completed, Air Force sources said Saturday.

Completion of this work on the 80-foot-deep, concrete-lined silos and a launch control center near Malmstrom Air Force Base in Montana opens the way for the year-long job of installing and checking out the system's complex electronic equipment.

The Air Force hopes it can get the first flight of 6,300-mile-range Minutemen ready for combat by late 1962.

## READY IN SIX MONTHS

The missile itself is expected to

become operational about the middle of next year.

Earlier this week, the Minuteman scored its second straight successful test flight out over the Atlantic from a pit at Cape Canaveral, Fla.

The fixed-base Minuteman program is being broadened in next year's military budget from 600 to a reported 800 long-range, solid-fuel missiles, which will be placed underground for maximum protection.

The Kennedy administration has dropped a plan to mount Minutemen on moving trains.

Air Force experts said the Minuteman base-building program is moving ahead with relatively few hitches.

BANGKOK, Thailand (AP)—Pilots held up a lake steamer in southern Thailand and killed three passengers and a policeman in a gun battle before looting the vessel, reports reaching here said Saturday.

## Patients Get Bus Thru Green Stamps

NORTHVILLE, Mich. (AP)—Young patients at Northville State Mental Hospital have a new bus, a Christmas gift made possible by a mountain of trading stamps sent in from across the nation.

More than 4,000 individuals and organizations contributed a total of 2,301,600 trading stamps so that the youngsters would have the bus to attend school at nearby Hawthorn. Trips to the zoo and other points of interest in nearby Detroit also are planned.

The Hawthorn-Northville chapter of the Michigan Association for Emotionally Disturbed Children included the bus on the patients' Christmas list last May.

"They put a bus on the list almost as a joke," said Mrs. Charles E. Dell Jr., chairman of the chapter's bus committee. The bus plea was spread by word-of-mouth and later by newspaper articles.

## EX-SENATOR BREWSTER IS DEAD AT 73

BOSTON (AP)—Former U. S. Sen. Owen Brewster of Maine, an arch foe of Franklin D. Roosevelt's New Deal and for 18 years Maine's most potent political figure, died in a Christian Science retreat house Monday. He was 73.

The Republican lawmaker and his wife had been at the Christian Science Benevolent Association House for a week.

Brewster, a former president of the Christian Science Mother Church, had made periodic retreats at the house.

He is survived by his widow, Dorothy, and a son, Charles, a Bangor, Maine, attorney.

Christian Science funeral services will be held in the First Universalist church in Dexter, Maine, Thursday at 2:30 p.m.

Brewster was defeated in his bid for a third Senate term in 1952. Since then he had lived quietly in semiretirement, spending nine months of the year in Washington and the rest in Dexter, his home town.

In his career Brewster clashed with many political opponents. A strong conservative, the Maine Republican fought President Franklin D. Roosevelt's New Deal. He particularly disliked its reciprocal trade program, dubbing it "Alice in Wonderland" economics.

However, he fully supported Roosevelt in the war, saying "if I am compelled to a choice between Roosevelt and Hitler, I choose Roosevelt."
